

## Religious Education

At Havelock our children and staff all come from religiously diverse backgrounds. Our diversity provides us with rich opportunities for children to share their background and to learn from one another. We take every opportunity to extend children's knowledge and understanding of different religions. When necessary, children will be taken to local religious buildings in order to extend their knowledge. Our constant aim as a school is to ensure children have the opportunity to learn about all major religions and translate that knowledge to show respect to one another's faith.

At Havelock we have adopted an R.E scheme of work that adopts an enquiry based approach to teaching and learning. Children are taught from Foundation stage to Year 6. Christianity is taught in every year group, with Christmas and Easter given new treatment each year, developing the learning in a progressive way. Hinduism, Islam, Judaism and Sikhism are also covered.
