Yr6 trip to Condover hall was amazing! I am pretty sure that all Yr6 pupils

To the right is the team who came second in league one but lost in league two. However, in the very end we lost by 4-0. We walked back to school happily as we came second!

The cross country track was quite a challenge for team Havelock. Some felt ill as they ran as fast as a road runner. How did they survive? They ran their fastest, hardest but never gave up! They were barged and hit but were still standing! Great effort everyone!

### CLUBS AT HAVELOCK

Clubs are amazing and it is so much fun in clubs because you do different activities with people who are not in your class.

You can choose from any club like chess, art or football club. There are more clubs too in the morning such as a club run by Mr Kelly called Wake up Shake up and the morning SPAG and maths club run by Mr Oluseye.

After school clubs are a good way to make friends and have so much fun!

On Wednesday 18<sup>th</sup> October we dressed up (yes, even the teachers!) as animals to raise money for endangered species. Children in the infants brought in £1 for face-painting as well. All the money will go to the WWF. We brought in £1 to save these animals from becoming extinct: Elephants, tigers, lions, pandas. I wonder which one we will vote to adopt!
